What to Do with an English Degree?

Despite what many people believe, there are several different career opportunities you can get with an English degree, including: business, teaching, and publishing.

"Cuban highlighted English, philosophy, and foreign language majors as just some of the majors that will do well in the future job market." (Mark Cuban)

"Most people will have six to 10 jobs during their careers, and liberal arts majors are the most adaptable to new circumstances." (Edward J. Ray)

English Major Occupation Groups

Famous people who have English degrees include: B. F. Skinner (behaviorist psychologist), John Baur (Curator of the Brooklyn Museum), Diane Sawyer (Anchor of ABC's World News), Emma Watson (Actress), Kris Kristofferson (Musician and Songwriter), John Paul Stevens and Clarence Thomas (Justices of the Supreme Court), Joan Rivers (Comedian).
